

Have-a-Go Race Night

Friday 7 July 2017 Cannons Creek Pool.

6:00pm warm up, 6:30pm start

This race night is open to all our club members, especially those new to the club and those in Tadpoles, Penguins, Seals, Swordfish II and in the volunteer coaches lanes.

Entries will be taken on the night.

This meet is not about winning, but is about “Having a Go”, learning to race, learning race rules and establishing a club time.

Times recorded at this race night will not be official and therefore can't be used as qualifying times for other meet entries.

Penguins training will be cancelled on Friday 7 July.

Swordfish One's training will be held as normal, although these swimmers are welcome to join race night after training if they wish.

Any queries, speak to your child's coach or email president@swimporirua.co.nz
